

Hastings Family YMCA Free Agent Form

What is a free agent?

A free agent is any participant who does not currently have a team to play with or someone who is new to the community and looking to meet new people while being involved in YMCA Adult Leagues.

Why enter YMCA Leagues as a free agent?

Entering the YMCA Adult Leagues as a Free Agent will provide the YMCA Sports Directors with the information of adults who would like to be placed on a team or be contacted by a team in need of players.

How much does it cost?

It does not cost to register as a Free Agent. However, once placed on a team, there may be the expectation that the Free Agent contributes to the overall cost of entering the League. This will be left to the Team Captain and Free Agent to work out, NOT the Sports Director.

Contact

The Sports Director will make every effort to place a free agent on a team, or, if possible, create a team from available free agents. However, we cannot and do not guarantee our success in placing free agents on a team. For information contact Shannon Shaffer, YMCA Sports Director, at 402.463.3139 or e-mail shannons@hastingsymca.net.
